

edu.duke.ImageResource.init

```
graph LR; A[edu.duke.ImageResource.init] --> B[edu.duke.ImageResource.imageToPixels]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'edu.duke.ImageResource.init'. The right box is gray with a black border and contains the text 'edu.duke.ImageResource.imageToPixels' on two lines.

edu.duke.ImageResource.image
