

edu.duke.FileResource.initRead

```
graph LR; A[edu.duke.FileResource.initRead] --> B[edu.duke.FileResource.initFromStream]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'edu.duke.FileResource.initRead'. The right box is gray with a black border and contains the text 'edu.duke.FileResource.initFromStream' on two lines.

edu.duke.FileResource.init
FromStream
