

main

The diagram illustrates a package structure. A large light blue rectangle with a dashed border represents the 'main' package. Inside this rectangle, at the top, is the text 'main'. Below this, there is a smaller light blue rectangle with a solid dark border, representing a sub-package. Inside this sub-package, there are three elements: a blue box with a solid dark border containing the text 'movieRecommendaton', a smaller blue box with a solid dark border containing the text 'edu', and the text 'java' to the right of the 'edu' box.

movieRecommendaton
